The global voice of scholarly publishing

ORIGIN

The origin of Origin . . .

. . . began in 2010.

ORIGIN

50 team members in 5 Years!

ORIGIN

The Origin Philosophy

- Maximizing Potential
- Breaking Down Silos
- Connecting Dots

ORIGIN

We take all this

ORIGIN

And we boil it down to our core

Peer Review
Management

ORIGIN

Our mission: to enhance the author,
reviewer and reader experience.

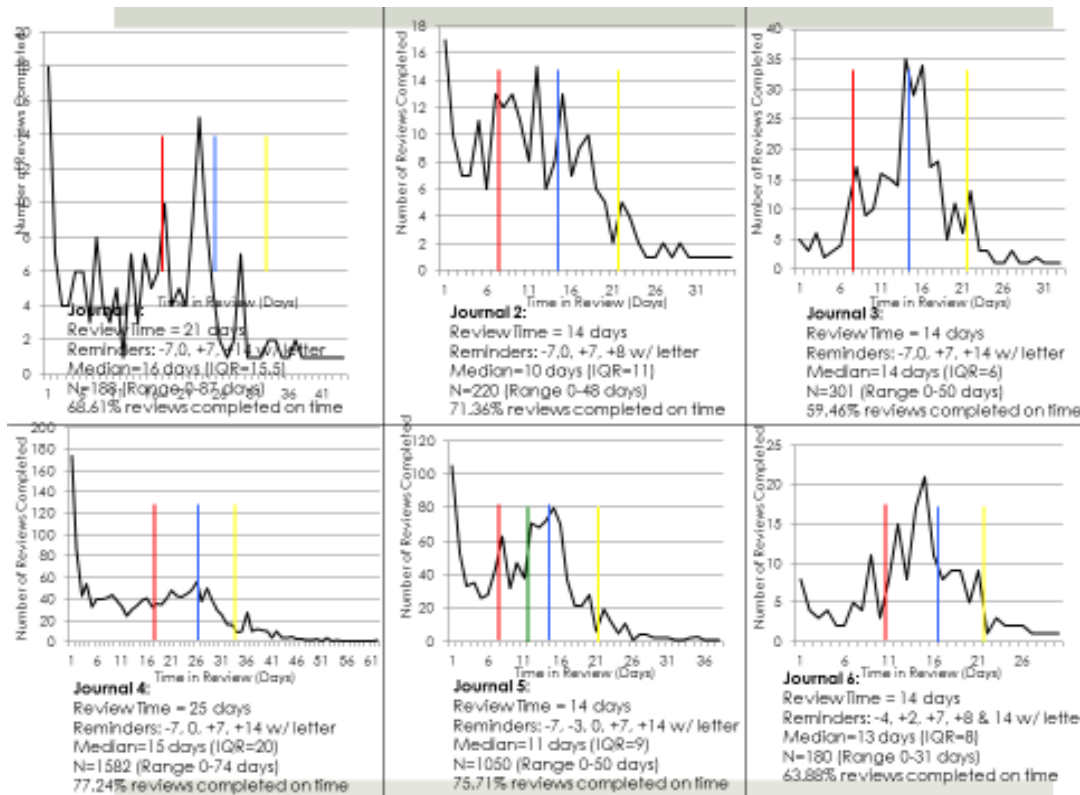

ORIGIN

We do not just manage journals.
We *improve* them.

Big or small, quarterly or weekly, 100
submissions or 12,000 – the
philosophy and the goal is the same.

ORIGIN

Data driven solutions, such as modeling reviewer behavior, to improve performance outcomes.

ORIGIN

- ◆ We take a lot of pride in turning around struggling titles.
- ◆ We do not just push papers through. We think about the quality and timeliness of peer review management.
- ◆ How can we best help each and every title we work on?

ORIGIN

- ◆ We do not just work in the industry, we help lead it.
- ◆ Three Presidents of ISMTE.

ORIGIN

Jason Roberts, Origin's Senior Partner, is Chair of the Year of the Reporting Guidelines campaign for the Equator Network.

Origin practices what he preaches

Roberts JL. (2009) An author's guide to publication ethics: a review of emerging standards in biomedical journals.

Headache 49:4; 578-589 (cited 26 times)

Roberts JL, Houle TT, Loder EW, Penzien DB, Turner DP, Rothrock JF. Establishing a coherent reporting guidelines policy in health journals. Moher D, Altman D, Schulz K, Simera I, Wager E (eds.) Guidelines for Reporting Health Research: A User's Manual. 2013, Wiley.

ORIGIN

But wait, there's more.

We do more than just peer review
management.

ORIGIN

- ◆ RFPs
- ◆ We strive to unlock the potential every journal has to compete with the very best titles.

ORIGIN

- ◆ Consultations
- ◆ Editorial office performance audits and benchmarking
- ◆ Impact Factor
- ◆ Advertising
- ◆ Online presence

ORIGIN

- ◆ More than 30 journals
- ◆ 6 publishers
- ◆ From *Anesthesiology* to *Wilderness and Environmental Medicine*

ORIGIN

Origin also manages an entire suite of physics journals for one publisher.

Our philosophies on best practices for peer review management succeed across disciplines.

ORIGIN

Happy 5th Birthday to us!

ORIGIN

Whatever happened to that idea for a managing editor's society?

ISMTE

- ◆ 500 members
- ◆ Two well attended and well regarded annual conferences per year – Europe and North America – soon to add a third meeting in Asia
- ◆ *EON* newsletter – the crown jewel in the ISMTE universe
- ◆ Widespread industry support and sponsorship

ORIGIN

We ask our clients –

**Where are you now and where do
you want to be?**

Then we listen.

Time's Up!
