STM
Advancing trusted research

Programme
Thursday 27th April

Wi-Fi: National Union Building: 918fstdc

08:15	**Light continental breakfast & networking**
09:00	**Opening & Welcome** **Delia Mihaila**, Chief Publishing Officer, Academia.edu
09:05	**Ethics of scientific publication—deficient institutional responses** Introduced by: **Deborah Kahn**, COPE Trustee, and Research Integrity Consultant Who is ultimately responsible for the integrity of the scientific literature, the enduring product of the research endeavor? Authors and reviewers clearly have a major role, but journals and research institutions should play their parts as well. Conflicts of interest and general pusillanimity, however, militate against the fulfillment of their obligations. Solutions to the problem will be proposed. **David Sanders**, Associate Professor of Biological Sciences, Purdue University is a virologist at Purdue University. He is also a scientific detective. He investigates deviations from the ethical standards of scientific publishing. He will present what he has found and propose some solutions.
09:45	**Research misconduct and publication ethics: improving transparency and collaboration between institutions, funders, and journals.** Moderated by: **Deborah Kahn**, COPE Trustee, and Research Integrity Consultant This session will discuss the findings of a recent Working Group on the topic. **Susan Garfinkel**, Associate Vice President for Research Compliance, Ohio State University **Sabina Alam**, Director of Publishing Ethics and Integrity, Taylor & Francis **Shara Kabak**, Ph.D., Research Misconduct Officer, Veterans Health Administration
10:30	**Refreshment break & networking**
11:15	**Flash session refocused - emerging technologies from the investor and analyst position - what you need to know!** Moderated by: **Adrian Stanley**, General Manager, JMIR Publications This session aims to turn the traditional lightning session with new emerging startup technologies and products on its head and hear from the perspective of the analyst and investor, what they think are the technologies and companies to watch over the next 3-5 years, why this is, and what lens and perspective are they looking at. All done with the overall theme of the STM conference in mind Open & Trusted at Scale. **Lettie Y. Conrad**, Ph.D., VP & Lead Analyst, Scholarly Communications, Outsell Inc. **Steve Scott**, Director of Portfolio Development, Digital Science **Jessica Sebeok**, Vice President for Global Government Partnerships & Public Policy, Wiley **Deepika Bajaj**, Consultant, VC Investments and Chair Product Leaders Forum, GTM Strategist
12:00	**Lunch**

13:15	**What keeps publishers awake at night & an update from the STM Integrity Hub** In this session, **Joris van Rossum**, Product Director, STM Integrity Hub, together with a panel will report from the Integrity Hub Master Class held on April 25th. What are publishers' largest concerns and issues around research integrity? How do emerging technologies like ChatGPT affect their work? Also, an update will be given on the STM Integrity Hub, and how it addresses these challenges. **Sarah Jenkins**, Acting Senior Director, Research Integrity & Publishing Ethics, Elsevier **Sabina Alam**, Director of Publishing Ethics and Integrity, Taylor & Francis
14:00	**Practical aspects of making research data available** Moderated by: **Dan Valen**, Head of Strategic Partnerships, Figshare With the recent issue of the Nelson memo, data availability has become even more important for publishers. We will hear about the experience of publishers and funders in implementing initiatives. **Taunton Paine**, M.A, Director, Scientific Data Sharing Policy Division, Office of Science Policy, National Institutes of Health **Sonya Dumanis**, Ph.D., Deputy Director. Aligning Science Across Parkinsons **Erika Pastrana**, Ph.D., Editorial Director, Nature Portfolio **Marcel LaFlamme**, Ph.D., Open Research Manager, PLOS **Joris van Rossum**, Product Director, STM Integrity Hub
15:15	**Launch of STM Trends** **Hylke Koers**, Chief Information Officer, STM Solutions Moderated by: **Heather Staines**, Senior Consultant, Delta Think **Sabina Alam**, Director of Publishing Ethics and Integrity, Taylor & Francis **Erin Foley**, Senior Publisher Solutions Manager, Copyright Clearance Center **Andrew Heard**, Senior Director and IT Business Partner, IEEE **Simone Taylor**, Publisher and Chief of Publishing Operations, American Psychiatric Association **Aaron Wood**, Head Product & Content Management, American Psychological Association
16:30	**Close**
